

Carrier Certification – Notice of Written Policy Regarding Mammalian Protein Products - FDA Regulation 21 CFR Part 589.2000

In accordance with Regulation 21 CFR 589.2000, Eclipse Transervices Corporation has implemented the following written procedure, to ensure the highest level of service and keeping products free from contamination.

1. All carriers approved to haul for Eclipse Transervices Corporation are notified of this regulation and our written policy by receiving this document and become certified by signing and returning this document. It is understood that trailers must be swept or rinsed thoroughly between shipments and use of any method of clean-out that would expose the waste and/or flush materials to ruminant feed or exposed to ruminant animals is strictly prohibited.
2. All carriers acknowledge and agree that if they previously hauled a product subject to this regulation and have been assigned to load a shipment for Eclipse Transervices Corporation, they must notify Eclipse Transervices Corporation by notating such on their copy of our load confirmation and faxing it back to Eclipse at 402-223-2401 with supporting documents with clean-out and disposal information as specified below, prior to loading the shipment assigned.
 - A. If a commercial trailer washout facility is utilized, the driver will obtain a receipt and documentation that includes information regarding the facility's knowledge and liability to handle the waste and flush materials in accordance with federal regulations and forward it to the certified carrier for review, processing and authorization to load the next shipment.
 - B. If a commercial trailer washout facility is not utilized, the driver will provide documentation as to how cleanout is implemented, who is responsible, how the clean-out is monitored and verified, report the amount of clean-out and how it was monitored and verified, the volume of clean-out flush material used and how it was determined, and how the clean-out material is handled and disposed and forward it to the certified carrier for review, processing and authorization to load the next shipment.
3. A certified carrier will take all precautions necessary and follow all written policies in place to ensure that a driver will not load a shipment for Eclipse Transervices Corporation until authorized to do so and copies of the required documentation as required by FDA Regulations 21 CFR Part 589-2000 are faxed to Eclipse Transervices Corporation.
4. Documentation will be kept on file for a minimum of one year from time of shipment.

Carriers operating under their own authority, agree to comply with the written procedures as it pertains to Eclipse Transervices Corporation and to hold them harmless for non-compliance or contamination of any kind. It is understood that any trailer that is subject to this regulation will be notated on your copy of our load confirmation and faxed back to Eclipse Transervices Corporation with a copy of the wash-out and disposal information as specified above, prior to loading. If you have not hauled a load subject to FDA regulations, no special handling is required.

I certify that the undersigned individual and company, jointly and severally, is in compliance with 21 CFR 589.2000, and will continue to comply, by completely cleaning out its vehicles after transporting prohibited mammalian protein products and has and will follow written procedures to ensure its compliance. I have the authority to make this certification.
